Favorite Sayings: Even if you make a mistake, go 100% and make something happen.

Most Memorable Coaching Experiences: My first year of coaching football we had a lot of talent, but not a lot of football experience. Our overall record wasn't very good. We had won three in a row going into our final game. We lost by a close margin. After the game in the locker room, every player told his teammates how he felt about them. It took us an hour. One kid even said to the coaches, "We wish this was our real family." That's what they got out of the season. True brotherhood!

Personal Coaching Philosophy: You have to go hard all the time. Never look back and have any regrets. Walk away knowing you did everything you could have and hold you head high.
