

Positive Coaching Alliance (PCA)

Online clinic registration process:

The process is pretty easy once you know where to go on the site. That is the tricky part. Log on to: www.positivecoach.org - once on the front/home page, look for the **yellow box** (near the top of the page on the right) with the heading: "Keys to Transforming Youth Sports" and click on the sub heading of "Double Goal Coaches." Once you have entered this subheading, you can click on the online course. The PAL is using the Level II - Double-Goal Coach: Culture, Practice and Games for the 2007/08 school year. Once you follow the directions on how to register, this will allow you to take the online course. Make sure to print a copy of the certification to keep with you to verify completion of the course which is required by the PAL at all sanctioned events (tournaments and league play.) Questions can be directed to the PAL League directors: Mrs. Jill Bennett, PAL Girls Director or Mr. Gerry Lane, PAL Boys Director. Contact information can be found on the web sites for each program.
